Correspondence to motion filed ordering transcripts out of stated time. This is my status on the transcripts.

I do not own a computer do not have access at the present time my apologies. I have four responded with the lower courts, and the Higher Courts. I have requested with proof of service to both lower courts or ordering the transcript. I have received response, by both recipients. Unfortunately I have been very ill under a doctor's care since June of 2020.

My apologies to all recipients for my delay. I am currently still under my doctor's care. I do not own a computer unfortunately after my doctor visit on Friday August 7th 2020 I dropped my phone all corresponding emails to the courts under case number 202-000-0629. I am currently waiting on a delivery for phone replacement to retrieve all corresponding emails, pertaining to this case.

From the court of common pleas court reporter Melissa Singletary has contacted me with a cost of her transcript. I have also spoke with Miss Connie Mills at Berkeley County Magistrate Court I was told by the Magistrate Court Clerk Miss Mills via a email to come pick up the copy of the transcript at the Magistrate Court. Because of that transcript was also given to me.

I do not own a car have been feeling very much under the weather with fever. I have to pick up the transcript from the lower court in Goose Creek, Berkeley County S.C. I also need to purchase a CD to get a copy of the transcript from the lower court.

My apologies to all recipients I see my doctor again this upcoming Friday. I'm hoping to be fully recovered soon.

I am currently waiting on a new device and transfer all corresponding emails to this motion and transcript request are on that phone. My apologies I dropped the phone in my doctor's parking lot after my visit this past Friday.

Therefore I have no other way, to send all correspondences until I retrieve the information. I am informing the South Carolina Court of Appeals also Court Administration transcripts Melissa Singletary court reporter Court of Common Pleas Berkeley County, Berkeley County Magistrate / Summary Court Clerk of Court Connie Mills, Parkway Village Apartments manager jacquetta Elias, Westminster company president Leah lyerly.

Transcripts have been ordered, also responded to me with all cost. I know certainly will be paying for this transcript as soon as I am well enough without fever to be in the courtroom to pick documents up.

Thank you very much to all respondents my apologies again after leaving my doctor visit I dropped and cracked the screen on my new phone. So I am sending an email through this email address to all. This is my correspondence , update on ordering Court transcripts my motion to order the transcripts out of the time.

I would like to thank All of the Courts, clerks very much for allowing me to order the transcripts out of the allowed time.

Sincerely ,
Lisa M. Ray
