Mrs. Kitchings/Mrs. Allen;

SC Court of Appeals

8.20.20

I'm writing in regards to the order I received today. Under Appellate Court Rule 221, petitions for rehearing must be actually received by the appellate court no later than 15 days after the filing of the opinion, order, judgment, or decree of the court. The purpose of this letter is in reference to an extension of time that is greatly needed.

I know that there is a pandemic that has greatly damaged the world and put our judicial system in somewhat of a bind. At our current moment, our institution has been locked down over a month. We have no law library access, can't go to dentist and doctor appts, and can't get any type of copies that will be needed. All I'm asking is for the opportunity to have a fair bite at the apple by way of the 14th Amendment. My order was filed on Aug. 13, 2020 and I did not get it until Aug. 20, 2020.

Please help me by giving me the chance to perfect my petition through this pandemic. It's hard being locked down with no access to nothing! Thank you for your time and patience in this matter and may God continue to bless you all in your walk in life!
