Dear Ms. Kitchings:

As you know, Respondents filed a Motion to Dismiss in this matter on July 10, 2020. Appellant did not file a return to the motion within (10) days as required by Rule 240(e), SCACR. Additionally, Appellant did not respond to the Court's formal request for a return dated July 30, 2020. According to Rule 240(e), "[f]ailure of a party to timely file a return may be deemed a consent by that party to the relief sought in the motion or petition." Respondents would respectfully request that this information be considered in conjunction with Respondents' Motion to Dismiss.

Respondents have received the Court's correspondence to both parties dated August 21, 2020. Out of an abundance of caution, Respondents would formally note their strong objection to any consideration of Appellant's 4th Motion for an Extension, received by the Court on August 17, 2020.

We have mailed Appellant a copy of this correspondence. If you have any questions or concerns, please do not hesitate to contact me. Thank you for your consideration.
