Re: Randal W. Benton v. State
Appellate Case No. 2017-002021

Dear Counsel:

The Supreme Court order issued on March 20, 2020, concerning the operation of the Appellate Courts during the coronavirus emergency states "In the event the Appellate Court determines that additional copies are needed, they will be requested from the lawyer or party submitting the document."

The Court has received the brief of petitioner, and the brief of respondent, in the above matter, but has determined that additional copies of the **appendix, brief of petitioner, and brief of respondent** are necessary.

Within ten (10) days of the date of this letter you must provide the Court with seven (7) copies of each of the above documents. Failure to provide these documents in a timely manner may delay the review of the appeal.

Very truly yours,

V. Claire Allen
