Re: King's Grant Homeowners Association, Inc. vs. Elwood Dixon and Jennifer Dixon
Case No.: 2011-CP-18-1716
Appellate Case No.: 2012-211934
YCR File: 14353-20110460

Dear Ms. Kitchings:

On January 21, 2013, the Appellants served an "Amended Record on Appeal" on the Respondent in the above-referenced matter. Although captioned as an "amended" record, it was, to the best of my knowledge, the first record served in this appeal. Accordingly, I calculated the due date for the Respondent's final brief to be twenty (20) days from January 21, 2013, which is today, February 11, 2013. See Rule 211(a), SCACR.

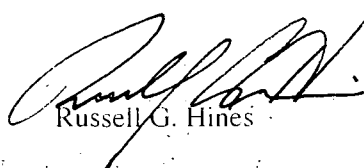

The record on appeal served by the Appellants, however, does not include all of the matter properly designated by the Respondent. For instance, it is missing a number of pages of the transcript of the hearing before the circuit court as well as the magistrate's court's return and trial summary. It therefore appears that a supplemental record will be necessary.

In this light, the Respondent respectfully asks for an additional seven (7) day's time to file its final brief, at which time the Respondent expects to also submit a supplemental record for conditional filing. With the requested allowance, the Respondent's final brief would be due on February 19, 2013. I have enclosed our firm's check in the amount of \$25 to cover the filing fee associated with this request. If a more formal motion is required, please let me know, and I will gladly submit the same. Of course, please just let me know if you have any questions or concerns.

With best wishes and kindest regards, I am

Sincerely,

YOUNG CLEMENT RIVERS, LLP
