MOTION FOR BRIEF EXTENSION OF TIME

COMES NOW the Appellant, Robert Michael Ardis, on his own behalf¹ and seeks a brief extension of time to comply with this Court's August 28, 2020, letter. In support thereof I would show the Court as follows.

¹ See *Erickson v. Pardus* 551 U.S. 89, 127 S. Ct. 2197 U.S., 2007. A document filed *pro se* is to be liberally construed, and a *pro se* complaint, however inartfully pleaded, must be held to less stringent standards than formal pleadings drafted by lawyers. Pleadings in this case are being filed by the Petitioner *in propria persona*, wherein pleadings are to be considered without regard to technicalities. *Propria* pleadings are not to be held to the same high standards of perfection as practicing lawyers. See *Haines v. Kerner* 92 S. Ct. 594, also See *Powell v. Lennon*, 914 F2d 1459 (11th Cir 1990).

1. As included with the email filing, I have complied with 2 of the 3 requirements cited in the Court's letter. The Proof of Service on both the Administrative Law Court and the Proof of Service on the Respondents.

2. I have made contact with the Administrative Law Court and have requested that that Court provide me a copy of the Order via email. That Court has been reliable in responding to my requests and believe they will respond promptly.

3. I would respectfully request a five (5) day extension of time in order to provide the Court with the required documentation.

WHEREFORE, the Appellant Prays for the following:

- a) that the Court **GRANTS** a five(5) day extension of time to fully comply with the Court's August 28, 2020, letter;
- b) any other relief the Court deems just, proper, and in the interests of justice;

Respectfully submitted on September 7, 2020
