SC Court of Appeals

SC Dept. of Corrections, Respondent

REQUEST FOR RESPONSE

Appellant requests this court to respond to several motions previously filed for which no response has yet been received. Appellant filed; On July 06, 2020 motion to dismiss for failure to timely file, On July 30, 2020 motion for objection, and On July 30, 2020 motion to stay of time limit due to extraordinary circumstances.

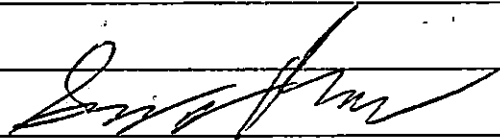

Appellant assumes (believes) no action has been taken on appellants motion to dismiss for failure to timely file, filed July 06, 2020, which is encompassed in Appellants motion for objection, filed July 30, 2020. Failure to properly respond to Appellants motion would be an abuse of

discretion and an error of law. Respondents' violations of court rules should be deemed an abandonment of this case.

Appellant also assumes (believes) that no action has been taken on appellant's motion to stay of time limit due to extraordinary circumstances, filed July 30, 2020. An adjudication is requested on this motion so appellant can properly proceed further. As an update, appellant still has no "access to the courts" via research in the institutions law library and appellant is still confined in his cell and/or dorm under quarantine status making any attempt of a reply brief futile.

Appellant prays this court adjudicate and file proper orders in regards to the motions in question and send copies of the responses to the appellant.
