In Re: Application for Carolina Water Service, Inc. for Approval of an Increase in its
Rates for Water and Sewer Services
Appellate Case No. 2020-000266
Public Service Commission Docket No. 2017-292-WS

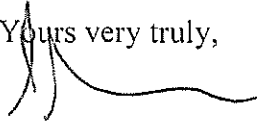

Dear Mr. Shearhouse:

I trust this letter finds you well. Our office represents The Town of Irmo, an Intervenor in the underlying action. I recently learned of the above-captioned Appeal. Despite our status as an Intervenor in the underlying matter, neither I nor my client has been served with a Notice of Appeal, Briefs or any other documentation regarding this Appeal. It is our understanding that Appellant has filed its Initial Brief and it appears that the time for Respondents to file their Briefs may have expired or be about to expire.

The Town of Irmo certainly has an interest in this matter and should be a part of any appeal arising out of the underlying case.

We would respectfully request that the Town of Irmo be added as Respondent to this Appeal and be given a full opportunity to participate in this Appeal by the filing of a Brief(s) as allowed under the South Carolina Rules of Appellate Procedure.

Thank you in advance for your assistance in this matter.

Yours very truly,

S. Jahue Moore
