

# The South Carolina Court of Appeals

SRP 2011 6 LLC, Respondent,

v.

Alluette K. Jones, Appellant.

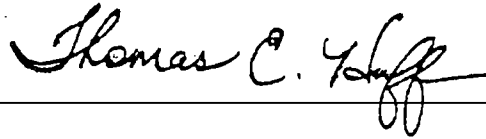

Appellate Case No. 2019-001838

---

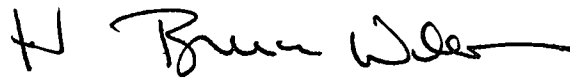

## ORDER

---

This court construes Appellant's second emergency petition for supersedeas as a request for panel review of the denial of Appellant's first petition for supersedeas. After careful consideration, the Court is unable to discover that any material fact or principle of law has been either overlooked or disregarded, and hence, there is no basis for rehearing the petition for supersedeas. Accordingly, the petition is denied.
