vs

William T Watts II

Appellate Case No. 2013-000177

Follow up to Response to
Motion to Dismiss Appeal Without Prejudice

On Feb. 28, 2013 I William T Watts II filed a response to the motion to dismiss appeal without prejudice, in that response I stated that the Supreme Court of South Carolina had thrown away the lawsuit I have been attempting to file, on March 7, 2013 I received a letter from the Supreme Court of South Carolina stating my case has been dismissed for no extraordinary reason (case # 2013-000270), the court did not throw away my letters. I sent another letter (lawsuit and cease and desist request) on Feb. 28, 2013 to Lexington County Clerk of Court and I have not received an answer.

I have not been allowed to testify at my own hearing (constantly being interrupted), my lawyer is ineffective (she has not helped with this appeal and has refused to do anything I ask), I am being attacked and harassed by South Congaree Police Department and Lexington County Sheriff's Department

using a drone to x-ray me more than 42,000 times. I wish I could go into detail but I do not have enough paper, I hope I will be allowed to speak in court, to complete my sentences.

I don't believe there are any legal precedences or laws that allow or legitimize what is happening to me. Please stop the use of the drone and get me into court (a fast and speedy trial). I hope I have proven I am competent.
