I FILE Appeal At court

SC Court of Appeals

At Court OF Appeal, Because I

Believe the Judge handle

the case, wasn't

properly rule 208

I serving all parties

B)

I would like to
Add to the records of
Appeal, that I have my
Copy of transcript, stating
that I ask to present a
Copy of the video that was
Recorded what happen in front
of my Apt and I called
the law they came and
said know one that was
In the fight had rights
to be there, I also
stated in records

ON transcript that my
Cousin got attacked by 16th
and 17th year old, It's
a different if she
came outside to fight.

I believe It's unfair for
the Judge not to look
in to that, case. I
will also like to
bring to attention also
stated on transcript
that I believe that
It was unfair

For the judge not to
make his decision about
the case in front of
me and public housing
attorney. He stated on
transcript he will mail
out a decision, I
believe that was unfair
for judge to do that,
anything could have been
discuss behind close
door with public

Housing Attorney without
on transcript, Its unfair,
I Believe that its
unfair because the
Judge didn't want to
see my evidence and
wanted my witness
to speak and the
witness was the
other parties they
stated wa both
eight the 16th and
17th year old was

there to speak to
the Judge But He
stated he have Every
thing He needed.

I Believe that was
unfair to say on
record. I also

Believe that Its unfair
to give Both parties
different court dates, I

Believe IF Both

parties who they

say was involved

In the Incident

We both should have

been in court together,

so the judge could

have got a better

understanding with

really happen even do

I had evidence

(video). I also stated

on record that I

want to bring to

attention I stated

How public housing

Know that the
other parties who attacked
my 27 year old cousin
who wasn't on
public housing who
was living there next
door authorized living
that had their address
on their ID that
didn't suppose to be
on there, told them
to go change it before
court date.

I Believe that
was wrong that was
a case violation. I
Believe It unfair for
the Judge not to look
in this situation
properly, because if
he did had look
into it he would
have understand It
is a difference between
fighting then just
getting attack.

I Believe Justice
should be served

I also stated on Record
without the higher
power meaning ~~license~~^{license}
and Attorney you not
going to win standing
by your self. It's
just unfair and when
deep down you
telling the god
honest truth.

These are the things
that I have stated on

Records I want
to bring to Intention
Thank you to whom
may concern.
