Susan,

It has come to my attention that I did not properly e-file the attached first extension request in Bryan v. State, 2019-001887, that I sent you via email on August 27, 2020. I plan on filing a motion for an extension out of time with the Court today, and wanted to know if you could consent. Additionally, I plan to attach the email sending you the extension request from August 27 to show that I honestly intended to file the request that day.

Thank you,  
Samuel
