Re: Jerome McFadden, #136919 v. SCDC
Appellate Case No. 2020-000582

Dear Mr. McFadden:

The deficiency corrections for your appellant's initial brief are still outstanding. The deficiencies outlined in the Court's letter of July 31, 2020 must be corrected in their entirety before this appeal can proceed. This is the Court's second request for these corrections. The deficiencies must be corrected within ten (10) days from the date of this letter or your appeal will be dismissed. The deficiencies are as follows:

- Exhibits may not be included in the appellant's initial brief. These documents need to be only listed in the designation of matter. An amended appellant's initial brief will need to be served and filed.
- A copy of the initial brief must be sent to opposing counsel, pursuant to Rules 208(a) and 262(b), SCACR.

Very truly yours,

CLERK
