Greetings,

Ms. Kitchings MAAM, SMH I'm really LOST.. I've wrote so many ppl Bout my issue And its like no one understand NOR CARE.. Im in Prison for A crime aint do At All.. IN Prison for A warrent I was never ever ever never even served honestly.. Never was ~~read~~ read my miranda Rights for this warrent I was wrongfully convicted of.. This warrent was just throwed on me, I had no acknowledge of this warrent until I went in front of Judge Yard of ~~the~~ York County (Moss justice center).. You can go back and hear the tape of my Bond hearing, I told Judge Yard I had no knowledge of the warrents (not served) he was giving me A NO BOND for he plainly stated "take that out with your lawyer".. It was A Cr I. in my case I have

Never ever seen in my life.. This C.I. admitted to Judge Hayes III of York he lied to police all the time while working wit DEU of York.. He lied to jury in my trial that it was me he deal with buying drugs and he lying.. The state charged me warrent Dis. of Crack cocaine for somebody else crime they say the guy Chris Roof was a running for some guy go by Lucky or Pootie? So they served me his warrents you can check with data in the county York my nickname I go by is J or Jay, never went by Lucky or Pootie, this C.I. is lying.. This C.I. was by law not trustworthy at all..

This C.I. was lock up for warrents than for S.C., N.C., Texas, and more.. This C.I. was scared to death to tell the truth in trial cause he was already in hot water wit warrents all over so he was forced to say it was me so he can get help from state.. But Procutor say in trial why would he lie"? This C.I. admitted to lying thru the whole time he was working for DEU.. So Now he telling the truth? No way he lying on me I never ever been face to face ever

Head knowing it wasn't me on that video.
The jury requested that I stand up in front of them and introduce myself due to no 100% visual of face in video but the judge ~~denied~~ they request and said go off what you got. I was just treated unfair in trial..

Ms. Kitchenings MAAM All I'm asking is to be treated fairly and that the truth come to light that the C.I. in my case just up and lied on me to get leawicy.. Please I got 5 kids and parents that really need me.. Please I'm innocent of this warrent that I was never even served accordly by Law..

Warrant # 2015A4610201263.. Never Been Served that warrent at all.. I pray to God the truth comes out about this case.. There's so much I really need to tell you.. Please write me BACK as soon as possible... Help me Ms. Kitchenings please. if you check my record I will plea guilty to my wrongs But this warrent here is not me..

May God Bless You Truly
Thru all this what's going on.. Be safe out there ok. and please again, save me, Help me from somebody lying on me.. Thank You so much

with this C.I. in my case. The public defender that was assigned to my case did not represent me to her best ability... My mom and one of my kids was there at my trial and my mom say it also that she (PD) aint really stand up for me strongly.. Not mentioning a lot of facts in my case to the jury that would have changed the outcome w trial. I told that judge of my trial that thats not me in that video.. What I dont understand is how a judge still allow a individual that admits to being a ~~liar~~ Lier, still allowed to be a witness in a case (the only witness) say he not trustworthy which prejudice me of A fair trial.. Truly if it was me as the C.I. I would lie to so I want be in deeper trouble.. So therefore this CI was forced to lie on me.. 20 years in Prison for a crime I aint do Not fair.. I lost everything Ms. Kitchings. 5 kids out there Ms. Kitchings please help me Im innocent.. Every court keep denied me its not FAIR at all.. Im like going thru it bad.. Than SCDC forcing 85% of the 20. to do non violent.. I aint do nothing they say about this warrants.. My mom seen the video, she shook her
