Dear Ms. Kitchings,

The Initial Brief of Respondent and Designation is due to be served today. However, I am unable to complete this on time due to the current heavy workload. This is my second extension request in this matter.

This extension request is not requested for the purposes of delay, but based on my current workload, which includes three oral arguments this month, as well as other pending briefs. I would note that I am copying opposing counsel, Tommy Thomas, Esquire, on this e-mail request. Please do not hesitate to contact me with any questions or comments.

Sincerely

David Spencer
