SC Court of Appeals

The State, Respondent,

V.

Case No.: 2019-001773

Clinton Anthony Smith, #378066,

Appellant

REQUEST FOR AN EXTENSION OF TIME

---

On or about September 08, 2020. This Court generated a letter of notice, explaining Appellant had not complied with the service requirement of his "intent to appeal".

In addition, Appellant was not aware of any particular service requirement. And contacted this legally experienced inmate for which is the drafter of this letter. This inmate explained what must occur, however, Appellant mailed the only copy of his intent to appeal to this Honorable Court.

As such, Appellant request a few more days for which to reconstruct his initial "intent to appeal", and forward such to all concerned parties in compliance with SCACR. In advance, I appreciate your time and attention in this important matter.
