

# The South Carolina Court of Appeals

The State, Respondent,

v.

Terry R. McClure, Appellant.

Appellate Case No. 2019-001865

---

## ORDER

---

Counsel for Appellant requests an extension to serve and file the appellant's initial brief and designation of matter and alleges there are extraordinary circumstances justifying this extension. Counsel also indicates difficulty in meeting with his client due to the ongoing Covid-19 emergency and in obtaining a redacted copy of an exhibit necessary for the production of the appellant's initial brief. Accordingly, the appeal is held in abeyance pending receipt of the redacted exhibit by counsel. Counsel must provide a status update every thirty days regarding efforts to obtain the exhibit or the appeal will be dismissed.
