APPELLANT.

MOTION FOR EXTENSION OF TIME

---

Pursuant to this Court's Order filed September 8, 2020, the initial brief and designation of matter is due on or before today. Due to the ongoing health crisis, counsel experienced delays with receipt of case documents and has experienced limited communication with Appellant while he has been on quarantine for an extended period of time. Therefore, counsel has been unable to complete the initial brief for filing and is asking for an additional thirty day extension to complete the brief and adequately communicate with Appellant prior to filing. Counsel is not seeking thirty additional days to submit the brief and designation of matter to the Court for reasons of unnecessary delay, but counsel submits this request is necessary and based upon good cause addressed herein.

I so move,
