Adam,

Thanks so much for looking at this so quickly. You are correct, we only want the 11 page document. We certainly consent to the filing of the supplemental appendix.

Assuming the supplemental appendix is filed Monday, 9/28, I think the final briefs would then be due 10/19, since Rule 211 gives 20 days, not 30, for filing final briefs after the ROA is served.

Best,

Kirsten E. Small, CIPP/US

Kirsten,

Attached is the Supplemental Record on Appeal, with Certificate and POS. Also attached is your Friday email confirming consent to the filing of the Supplement, which will be filed pursuant to Rule 212(b) to confirm that no motion is needed for this. I am serving this all by email, pursuant to the current Order regarding operation of the appellate Courts, and will therefore also file a copy of this email.

Adam
