Ginny,

Damages hearing 5/22/19 was recorded
Motions hearing 10/21/19 – I was not at the hearing and the Judge's notes do not mention a Court Reporter
Motions hearing 6/3/20 Not on the 6/3 roster however, was scheduled 6/15/20 – Cancelled due to CV19. Rescheduled for 7/13/20 – Gretchen Wise was the Court reporter.

Ms. Beach,

Would you please let me know who the court reporter(s) were for the damages hearing and subsequent motions hearing in this matter before Judge Jackson? Or, if you have the audio recordings so that we may get them transcribed? I will be happy to bring a flash drive to you for the audio files. Thanks!!

Regards,

Ginny

I'm attaching the electronic transcript along with an invoice and mailing the sealed original. This "portfolio" contains the interactive full-size, condensed, and word index that can also be saved separately. It is easiest to download it, save it into a folder, and then open it from that folder (rather than trying to open it directly). If you need me to break it down into separate files instead, I'll gladly do that though.

Please confirm receipt and let me know if you need anything else.

Thanks for the work. I hope you both have a great weekend!

So I triple-checked my calendar, a spreadsheet I keep for all jobs, and also my "no-writes" paper folder, and it doesn't look like I covered any of the three dates you asked about. However, I did cover a hearing on 7/13/20 for Holcombe Bomar, which is probably the one you remember me being at. This was on Defendant's motion to alter/amend a previous order, was approximately 49 minutes from my notes, and has not been transcribed. Please let me know if you need this one.

Thanks, and sorry I can't help on the others.
