Date: Friday, September 25, 2020 10:46:31 AM

Ms. Kitchings,

Yesterday, I received Respondents' reply to Appellant's return to Respondents' Motion to Dismiss the above appeal. The Reply was specifically requested by the Court in a September 21, 2020 letter from Clerk Claire Allen. Specifically, the letter requested that Respondents' provide additional information about certain 4-3 votes taken by the Appellant School Board. Respondent's reply brief addresses some of these votes, but fails to mention certain other information, which we believe may be crucial to the court's understanding of Appellant's position in opposing the motion to dismiss.

Appellant requests and would appreciate the opportunity to submit a very short sur-reply. I could have my sur-reply to the Court by Friday, 10/2.

I appreciate your and the Court's consideration of this request.

David
