Re: Spencer Utsey, #192660 v. SCDC  
Appellate Case No. 2020-001124

Dear Mr. Utsey:

The Court is in receipt of your motion to add to brief that is presumed to be in response to the Court's deficiency letter of September 22, 2020. Your motion will not be acted on since the Court requested the deficiency corrections. Enclosed is a template of the caption that needs to be on all documents submitted to the Court. Please also note that counsel for the respondent is Christina Bigelow not Cheron Hess.

The designation of matter is a separate document that lists all the documents such as transcript, pleadings, orders, exhibits, or other materials of which to be included in the Record on Appeal. All documents listed must have been submitted to the lower court. This is the Court's 2nd request for the designation of matter deficiency correction. Failure to comply with the Court's request within ten (10) days will result in the dismissal of this appeal.

Very truly yours,

*V. Claire Allen*
