APPEAL FROM GREENVILLE COUNTY
Court of Common Pleas

The Honorable Robin B. Stilwell, Circuit Court Judge

Mary Kimbrell.....Appellant,

v.

Walmart Stores, Inc., Claims Management, Inc., and Josh
Johnson.....Respondents.

Appellate Case No. 2020-000668

MOTION FOR EXTENSION OF TIME

The appellant respectfully requests that the Appellate Court grant an extension of time for the appellant to file her Record on Appeal. The appellant is still in the process of gathering documents included on the respondents' Designation of Matter. There are multiple items on the respondents' Designation of Matter that are either vague or appear to be unattainable, including: "Defendants' Motion to Dismiss" (there are more than one); "Defendants' Motion to Compel" (there are more than one); "Public Index for Case Number 2017A2330202145" (this case was dismissed, therefore there is nothing to gather from the public index when searched); "Public Index for Case Number 2017A2330202146 (it is unclear what the respondent would like to include from the public index regarding this case)."

The undersigned's office has reached out to the respondents multiple times by electronic mail and telephone in an attempt to gather any information that would help clarify the above-mentioned issues. The respondents responded on today's date, but further clarification is still needed.

For the foregoing reasons, the appellant respectfully requests the Appellate Court grant an extension of time for the appellant to file her Record on Appeal.

Respectfully submitted,

s/Helena Jedziniak
