To whom it may concern, ^{SC} Court of Appeals

On September 24, 2020, I received a reply granting me an extension to file a petition for rehearing. Let me say thank you (thanks).

Since I wrote the request I have tested positive for Covid 19 and I'm still under quarantine.

On September 25, 2020 I was re-tested and awaiting the results.

I've been back and forth with this Covid 19 simply struggling with no medical treatment.

My legal problem is that I don't know how to file this petition and I was wondering if you could send me the form or forms needed with some instructions that I will need.

Also can you tell me how if possible that I can apply for some legal assistance to get these things done. I want to continue to do what needs to be done for myself but I need some professional help.

I can not afford an attorney and my last one was removed from my

Case and I still do not understand why when I need all the help that I can get. Can you please send me any and all help in this matter. I Doni T. Anderson give you permission to help me by sending me any information that is available to me in order to help me according to the law.

Thank you,
Doni T. Anderson
