Subject: The State v. Aaron M. Capers 2019-000511; Status Report
Date: Friday, October 9, 2020 4:29:28 PM

Dear Ms. Kitchings,

I have had communication with Attorney Capers concerning the status of the post trial motions in this case. She and her client, who is also her son, are making final decisions about what all they want to present to Judge Dennis in support of the post-trial motions filed in this case.

As you may recall, Judge Dennis held a hearing in these motions, but at the conclusion of that hearing held the record open for whatever additional documentation Attorney Capers might want to submit. She hopes she and her son will have made those decisions fairly soon. She will let me know when they do. I assume Judge Dennis will file a written order on these motions. Of course, who will draft that order will depend upon his final decision. As soon as he does, I will likely have to order the transcript of the motion hearing. I will advise the Court just as soon as I have that information.

Thank you very much.
