RE: Antonio Collins v. State; App. Case No. 2020-001077

Dear Sir:

For the above referenced PCR appeal, I am writing to request my second thirty day extension for filing the Petition for Writ of Certiorari and Appendix. This extension is needed since I experienced delay in receiving the Clerk's file as a result of courthouse closure due to the pandemic. Additionally, I am still working on compiling the Appendices since there has been unforeseen complications that I am working on in lieu of having to request to file a Supplemental Appendix. A properly compiled and completed Appendix is needed to complete the Petition. Therefore, I am requesting an extension of 30 days to get the Appendix finalized and to prepare the Petition.

Thank you for your assistance with this matter. Please contact me if any additional information is needed.

Yours truly,

Tricia A. Blanchette
