Dear Linda:

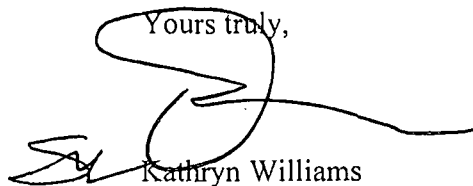

Please accept this letter in response to your request for an explanation of the reasoning behind our request for an extension of time in which to file our Petition for Rehearing from the Court's March 6, 2013 opinion in this matter. The request for an additional 15 days in which to file the Petition is based on our heavy hearing schedule and the press of other such deadlines.

In addition, we requested a copy of the tape from the oral arguments for the Court for transcription and use in crafting the Petition. The tape was received from the Court on March 14, 2013, and the subsequent transcription was just received today.

Again, I respectfully request additional time to file this Petition so that I can properly and fully respond to this very important issue.

Kindest regards,

Yours truly,

Kathryn Williams
