**MOTION FOR EXTENSION OF TIME**

---

The appellant respectfully requests that the Appellate Court grant an extension of time for the appellant to file her Initial Brief and Designation of Matter. The undersigned is currently working on two appeals, to which the Initial Briefs and Designations of Matter are both due on Monday, October 19th. The undersigned began to get sick yesterday, but worked through the day on both briefs. Today, symptoms became worse and the undersigned went to the doctor. A doctor has tested the undersigned for the corona virus and recommended self-quarantine until receipt of test results. The undersigned therefore respectfully requests a 20-day extension and will provide proof of the doctor's visit and recommendation should the court require it

For the foregoing reasons, the appellant respectfully requests the Appellate Court grant an extension of time for the appellant to file her Initial Brief and Designation of Matter.

Respectfully submitted,
