Re: A.D. and J.D v. RCSD Two
Appellate Case No. 2019-001603

Dear Counsel:

Upon reviewing your motion to transport exhibits, the following deficiency or deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and any deficiency must be corrected within ten (10) days of the date of this letter or your motion will not be considered:

- You must provide the Court with a list of the exhibits requested and the names and exhibit numbers as they were presented at trial so that the Court may ascertain whether the exhibits lend themselves to reproduction within the record on appeal. An order for the transportation of the exhibits will not be issued until the Court receives the amended request.

Very truly yours,

CLERK
