Supreme Court -Terry Capone, Appellant, v. City of Columbia, Employer, and Companion Third Party Administrator, LLC, Carrier, Respondent Case No. 2020-000641 PETITION NOT READY FOR CONSIDERATION EXTENTION OF TIME REQUESTED

The Honorable Daniel E. Steakhouse:

Please accept this as notice as a request for an extension to reply to the Return of my Petition for Writ of Certiorari of SC COA August 13, 2020 Order received evening of August 17, 2020 to the S.C. Supreme Court -Terry Capone, Appellant, v. City of Columbia, Employer, and Companion Third Party Administrator, LLC, Carrier, Respondent Case No. 2020-000641 a VOID Judgment. I am under disability, a disabled Marine Veteran and Fire Battalion Chief and I have been having problems sleeping and focusing, among other things in addition to, for the last 2 weeks I have been taking my Aunt Debra Graham who informed me she was stage 4 cancer 3 weeks ago for treatment for the last 2 weeks and I have been overwhelmed. The disabilities that cause my delay are at the heart of the matters before this Court.

I need additional time, I have enclosed \$50.00 fee for Emergency motion for extension for time, so that I can make a proper showing that the orders are void, the defendant and SC workers Compensation Commission has committed fraud on the court and violated my right to due process by illegally stopping my SC Workers Compensation benefits a Fundamental Right, altered a medical opinions and other violations of law.

The Court is aware I am under disability under the law, no rights are lost and I am not an lawyer. Thank you for your assistance with this matter, please contact me if you have any questions. Thank you for your consideration.

With Regards,
