Dear Mr. Cope:

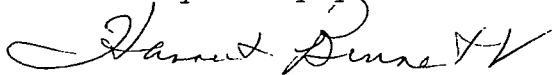

I am sorry I did not make myself clear when we spoke by telephone a few days ago. I am a retired Circuit Reporter, and I do transcription work for Court Administration on certain occasions

In the above cases, Déborah Everett was the Reporter who was present for the hearing in the above matter, and she is no longer employed by Court Administration.

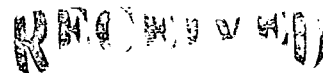

I was sent a CD containing what was taken by Ms. Everett on her stenomask, as well as your request letter. What I have transcribed for you with copy to Mr. Creech is what I can hear her saying into her mask, and not typographical errors. For example, when she said Triple A, I put Triple A, not AAA.

Further, I have certified the transcript as prepared to "the best of my ability" from her records, which is all I could do in that case. I am not in a position to make any changes to what was said by her.

Very truly yours,

copy to J. Michael Montgomery, Esq., Sowell Gray
