Good afternoon,

I am representing the State in the PCR appeal of Phillips v. State, 2020-000568. The State's petition for a writ of certiorari and appendix were due to be served and filed yesterday. I did serve them yesterday, but my attempt to file them electronically via OneDrive was unsuccessful. I am reattempting to file them electronically by sending five emails: one for the petition and four for each volume of the appendix. This is the first of the five emails.

I hope that the Court will accept them as timely filed, but I will be happy to file a motion to file out of time with Mr. David Alexander's consent if not.

Thank you for your help,
Taylor
