Richland County Sheriff Department Investigative Follow Up

Case#: 1812038701

Incident Type: Unlawful communication and school threats

Incident Location: 3 [REDACTED]

Victim: Blythewood Middle School, K [REDACTED] M [REDACTED] C [REDACTED] G [REDACTED] H [REDACTED] G [REDACTED]

Suspect: T [REDACTED] D [REDACTED]

12/01/2018 @ 2244

I/O was notified by the Region 6 Corporal Robinson that he went to a call where T [REDACTED] D [REDACTED] had made threats to another student of Blythewood Middle School over Social Media (SnapChat). The complainant K [REDACTED] P [REDACTED] was concerned and notified law enforcement about the message that her daughter was sent. The Desk Sgt was notified and Sgt Truluck and CID were also notified.

12/02/2018 @ 1400

I/O Sgt Truluck and Inv. Boyd made contact with the complainant about the message that he daughter received. She stated that the message was sent to K [REDACTED] M [REDACTED]. I/O Truluck made contact with the Principal of Blythewood Middle School, Ms. Mazyck and she was notified about the situation. Ms. Mazyck was able to give us the parent and contact information for Kyle M [REDACTED]. I/O Truluck and Boyd went out to the location at [REDACTED] and met with K [REDACTED] M [REDACTED] who showed us his Snapchat and said that the messages were originally sent to C [REDACTED] G [REDACTED] and to H [REDACTED] G [REDACTED]. We were able to get the addresses for C [REDACTED] G [REDACTED] 1 [REDACTED] Road and H [REDACTED] G [REDACTED] 34 [REDACTED] from Ms. Mazyck. The I/O then went to the home of C [REDACTED] G [REDACTED] and made contact with C [REDACTED] and his father. C [REDACTED] told us that T [REDACTED] has had an ongoing issue with him and his 3 friends over the last several school years. Mr. G [REDACTED] even stated that he went to the school specifically to make sure that T [REDACTED] D [REDACTED] was not in any classes with his son this school year. C [REDACTED] stated that he was not sure what T [REDACTED] was talking about or why he would send a message threatening them like that. He stated that he did not know anything about someone talking a JUUL from T [REDACTED]. I/O were able to get the phone number of Ms. G [REDACTED] from C [REDACTED]'s father. I/O Boyd made contact with Ms. G [REDACTED] and she met us at their residence in order to speak with her son H [REDACTED]. H [REDACTED] wrote a statement and provided it to the I/O about the incidents that have happened and the history between T [REDACTED] D [REDACTED] and himself. I/O Truluck and Boyd then went to [REDACTED] and met with A [REDACTED] D [REDACTED] and J [REDACTED] D [REDACTED] (grandparents) along with T [REDACTED] D [REDACTED]. T [REDACTED] stated that he sold his cell phone and did not have a cell phone. Then he stated when he was at the Emergency Room last night (12/01/18) that he was using his biological mother's phone. He was pissed off because K [REDACTED] and the other boys took his JUUL and he did not know which one of them had it, but that he wanted it back. Due to the fact that he was mad he sent the message to C [REDACTED] and H [REDACTED] made a copy of the message and it was also sent to K [REDACTED]. T [REDACTED] D [REDACTED] was charged with unlawful communication, school threats and incorrigible. Ms. D [REDACTED] was able to give me paperwork showing the she has taken him to the hospital on November 16,

B430

2018 in order to start getting him some help. He was prescribed Adderall by mouth 2xs a day. Ms. D[REDACTED] signed the custody release form, a consent to search form for the house and the cell phone. Also, T[REDACTED] and Mr. and Mrs. D[REDACTED] were told that T[REDACTED] is NOT to return to school and that Ms. Mazyck would be in touch with them.

Statement

From: G [redacted] [redacted]@richland2.org

Sent: Sunday, December 02, 2018 6:38 PM

To: Boyd, Steffany; DAD [redacted]

Friday night I went to [redacted] house we stayed at the house the whole time we were there. I had already had [redacted] blocked on snap chat but he decided to make another snap chat and added me on it that night. I looked at my phone and he started texting me. The first text was "Who has my juul" I didn't respond to that about 5 minutes later he sends a text saying "he doesn't have his juul by Monday he is going to shoot up our school after he said this he said "I know [redacted] took it". And the last message he sent was "And if ya'll make me get searched at school im pulling a gun out of my boot and shooting everyone". While he was saying all of this I was getting [redacted] to take pictures of it on his phone. When he finished saying this stuff I blocked him on snap chat. I never knew who had the juul or if anybody ever took it from him.

MEDICAL SCREENING EXAM, NonUrgent

Nonurgent Medical Screening Exam

You have had a medical screening exam. The results show that you don't have a condition that needs to be treated in the emergency department.

You can safely wait until you can see your healthcare provider for evaluation or treatment. It is up to you to make an appointment for follow-up care.

Medical emergencies

If you think you have a medical emergency, please come to the emergency department. That's what we are here for. A medical emergency might be severe pain. It might be a condition that gets worse. Or it might be problems with a pregnancy.

The emergency department is open to all who need treatment. But if you don't think you have a serious or life-threatening problem, try these other choices.

If you have a primary care doctor:

Call your doctor before coming to the emergency department.

After office hours, someone from your doctor's office is on-call by phone. The person on-call may be able to give you advice over the phone on how to take care of the problem.

You may be able to get an appointment to see your doctor.

If you don't have a primary care doctor:

Call the referral doctor or clinic shown below during office hours. You should be able to make an appointment to be seen.

If you aren't sure whether you are having an emergency, you can always return to the emergency department to be looked at.

Phone advice from the emergency department

We are here 24 hours a day to give emergency care. But this hospital does not give phone advice for medical conditions. If you need advice for a condition that can't wait to be seen by your doctor, you will need to come back to this facility in person.

Friday night I went to H [REDACTED] house we stayed at the house the whole time we were there. I had already had T [REDACTED] blocked on snap chat but he decided to make another snap chat and added me on it that night. I looked at my phone and he started texting me. The first text was "Who has my juul?" I didn't respond to that about 5 minutes later he sends a text saying if he doesn't have his juul by Monday he is going to shoot up our school after he said this he said "I know K [REDACTED] took it". And the last message he sent was "And if ya'll make me get searched at school I'm pulling a gun out of my boot and shooting everyone". While he was saying all of this I was getting H [REDACTED] to take pictures of it on his phone. When he finished saying this stuff I blocked him on snap chat. I never knew who had the juul or if anybody ever took it from him.
