SC Court of Appeals

I have a question
I have some rental places
that I never get rent money
out of. I have a lot of repairs
I have to do.

Since the deeds are in my
name can I move
for ward with my
thousands of dollars in
repairs.

Or can I rent them out
to get my money back
I will be spending on
them I do not no what
I am doing. But willing
to learn wanting to
keep my inheritance
for my kids. They are
Autistic an disable. Unable
to work. I promised my
dad Oct 6, 2003 at 3:30 AM. I
would make sure AJ get the
home I was raised in. That was
his dying request He died at 7:20 AM.
