Re: The State v. Nicholas J. McIver
Appellate Case No. 2018-000824

Dear Counsel:

This office is in receipt of your proposed exhibit transport order. Please clarify as to whether you are seeking to transport the cameras or copies of the recordings made thereon. If you are seeking transport of the actual cameras, the Court requests a justification as to why that is necessary for the Court's review of the appeal.

Regarding the styrofoam head, bag and contents of the purse, we request a justification as to why examination of these objects is necessary to the appeal, rather than argument regarding the importance of those exhibits to the issues on appeal.

Please provide these explanations within ten (10) days of the date of this letter.

Very truly yours,

V. Claire Allen
