Appellant/Respondent hereby moves pursuant to Rule 263(b), SCACR, for a 30-day extension of the time in which to serve and file the Appellant/Respondent's initial brief and designation of matter to be included in the record on appeal. The grounds for this motion are that there is good cause to grant the requested extension, as the following shows:

1. The current COVID-19 pandemic and its attendant disruption of the ordinary functioning of business has disrupted Appellant/Respondent's counsel's schedule and ordinary pace of work, affecting several matters, including the completion of the initial brief in this case.
2. On October 2, 2020, the undersigned counsel for Appellant/Respondent received the Court's letter directing his initial brief and designation of matter to be included in the record on appeal be served and filed within thirty (30) days.
3. Appellant/Respondent's brief and designation of matter are presently due Monday, November 2, 2020. If the request is granted, Appellant/Respondent's initial brief and designation of matter to be included in the record on appeal will be due on December 2, 2020.
4. This is the first extension Appellant/Respondent has requested in this appeal.
5. Respondent/Appellant has consented to this proposed extension of time to serve the initial brief and designation of matter.
6. The undersigned has served this document on opposing counsel by email to registered AIS email address on the date given below.

WHEREFORE Appellant prays for an order extending the time in which to serve and file the Appellant's initial brief and designation of matter to be included in the record on appeal by 30 days, to December 2, 2020.

October 29, 2020

Respectfully submitted,

/s/ Taylor Smith
