Ok, thank you.

Final Briefs are usually due within 20 days from the date of service of the initial service of record on appeal. Since the record on appeal had major issues (per Respondent), the briefs will be due 20 days from the last proof of service of the record on appeal. The Court does need the proof of service showing the amended record on appeal has been served in order for us to update the deadlines.

Is my Final Appeal due 20-days from the original record on appeal or the one sent today?

Thank you.
