Re: Clifford C. Hansen, Respondent/Cross-Appellant v. Beechwood Development Group of South Carolina, L.L.C., Cross-Respondent/Appellant - 2011190886
Civil Action No.: 2009-CP-10-3333

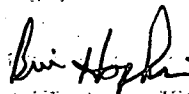

Dear Ms. Kitchings:

I am writing in regards to the above-referenced appeal and in follow-up with my conversation with Diane this morning.

On September 8, 2012, I filed the Respondent/Appellant's Designation of Matter to be included in the Record on Appeal. In this filing, I inadvertently omitted Plaintiff's Trial Exhibit No. 36 (Unconditional Guaranty) from the designated items. I discovered the error before the Record on Appeal was compiled and filed by opposing counsel and notified him of my oversight. Opposing counsel graciously included the Exhibit in the Record on Appeal, which appears at page 1054 in Volume III. Since I had not included the Exhibit in my original designation, I filed a Motion to Supplement the Record on Appeal, which motion was granted by the Court on February 7, 2013. I should have styled my motion as a motion to supplement the Respondent/Appellant's Designation of Matter to be included in the Record on Appeal since the Record on Appeal does not need to be supplemented as the Exhibit is included.

I apologize for any confusion or inconvenience this may have caused the Court or its staff. Please let me know if you have any questions or need further information.

Respectfully submitted,

WILLIAM E. HOPKINS, JR.
