RE: response to letter dated 9 October 2020 regarding transcript for Alan Nix v. Sloan Law Firm,
Appellate Case No. 2020-000676

Ms. Allen.

In response to your letter dated 9 October 2020, please find enclosed eleven pages of emails, transcript request forms, copy of letter, etc. dating back to 2 August 2020, which I will note, was several months after the appeal was filed and no such concerns were expressed during those numerous months.

I will also point out that after being notified by email on 28 September a lawsuit would be filed about this situation if a response was not in my mailbox (which should have been understood to be USPS) by 1 October 2020 at 1300, I suddenly received an email, not a letter, on 30 September 2020 at 2145 to which I have, once again, never received a response via email nor USPS to my questions / requests related to that email, until your letter of 9 October 2020.

Hence, please coordinate with your Suite Neighbors and your legal representative, now copied in two capacities, and provide a response explaining this situation ASAP, but no later than ten days from the date of this letter.

At this point, given the preponderance of the evidence in this matter, I'm more, not less, inclined to the position I took on 28 September 2020.

Best regards,

Alan Nix

Ms. Kohn.

Good news I think. I won't be sending you any more emails about the transcript request attached for the transcript of 27 Jan 2020 for case number 2019-CP-10-01496. But, I will be suing Court Administration, Cole, etc. within the week if I don't have a fully responsive letter from one of your court reporters in my mailbox this Thursday when I check for my mail. Since your boss is about the same age as Judge Cole and is from the same town up there in the Upstate somewhere, perhaps your boss could be of some assistance in finally sorting this issue out appropriately?

On another matter, see the second attachment. I haven't heard from y'all on this issue either. Mr. Condon took some liberties with this situation which I would strongly suggest you speak with him about before doing anything. But, this week, once again, would be a very good time do that too.....

Talk soon.

Ms. Kohn and Ms. Allen.

First, I want to confirm that I still have not received a response from anyOne at all about this transcript order since late July, two months ago this week.

Second, if a response from a court reporter is not in my mailbox by this Thursday, 1 Oct 2020, please be informed I will be filing a lawsuit related to this issue.

Please ensure this is taken care of in such a way that I have that response from a court reporter with the costs to produce this transcript in my mailbox by this coming Thursday, 1 Oct 2020.

Best regards,

Ms. Allen and Ms. Kohn?

I have received no communication at all from anyOne via any type of normal communication process about the transcript for 27 Jan 2020 in case 2019-CP-10-1496, Cole, including in particular either of you, which I am finding more disturbing with each passing day. Clearly WE have a problem here. Please provide a fully explanation at once, which should be construed as no later than 1330 today, 25 Sep 2020.

Without a prompt response, I will be personally visiting Court Administration within the week.... most likely closer to day than next Friday.

Chief Keel. Consider yourself on notice. I won't be coming to do any more **Harassment** than is absolutely necessary in the spirit of good trouble, but I will be demanding a full accounting for what is holding up even a basic response to a transcript request that Court Administration has had in their possession for almost two months as well as a copy of the hearing recording.

Best regards,

*Alan Nico*

Ms. Allen and Ms. Kohn.

We are coming up on two months since this transcript request was mailed, and as of today, I have not received any communication from anyone, including being contacted by a court reporter to be provided a cost of production.

Please provide a status today, primarily providing the name of the court reporter that has been assigned to this task, the date they were assigned, the date they received the required information to produce the transcript and an explanation as to why they have not contacted me with the letter stating the cost to produce.

Thank you for your prompt assistance in clearing this matter up. Without a thorough response and, if necessary, plan to promptly mitigate any issues involved in this delay, received by me by this coming Monday, I will likely submit a motion to the court of appeals about this issue.

Best regards,

Alan Nix

PS. (1) I've been watching an excellent program on Netflix recently called The Innocence Project. Actually, the name of the program is the name of a group that investigates and helps overturn wrongful convictions of people. In my opinion, and I haven't finished the entire series yet, but there seems to be some very common themes / reasons in the program for how these wrongful convictions occur. I bet if y'all watch the program, which I highly recommend, y'all will see some of these very common themes too. Probably like watching parts of it in a mirror.

PS (2) Mr. Robert and Andy. I've been making plans to extend my Judicial harassing to senior law enforcement harassing starting very soon. And I plan on starting with Chief Ritchie either tomorrow or Monday at the latest. As you might imagine, I'm going to throw the book (throwing obviously being a figure of speech) at Chief Ritchie, and if necessary, his boss, Mr. DeMoura, so he (being Carl) can throw the same book at y'all's clients, y'all's clients client's, y'all y'all's associates, etc. etc. etc. (I'm hoping Chief Ritchie doesn't make his boss throw the book at him cause I'm betting his boss still has a pretty serious throwing arm, and it won't look good for two Tigers to get arrested for harassing Chief Ritchie and throwing so many books at him to throw at all those clients and associates, etc. ) Do you want to use the Command Center in the parking lot of 321 Wingo Way or just meet me at 100 Ann Edwards Ln., Mount Pleasant? Do let me know soonest.

PS. Earhart Overstreet Cole, I apologize for taking this opportunity to ask, but are y'all still comfortable with this statement as fact: *"A roster meeting was held on March 21, 2016, at which Attorney Sloan and counsel for the plaintiff in the Underlying Case agreed to strike the Underlying Case from the docket pursuant to Rule 40(j) of the South Carolina Rules of Civil Procedure. (Compl. 1111 16-18.)"* If so, does that mean y'all have the hearing recording from 21 March 2016 from Sandlapper Reporting, LLC / Charleston County / Christine Smith / Scarborough? If so, will you please share it with me? I've been asking for it for almost three years.

If not, are y'all going to amend or clarify or change any of that language and is that the reason that you wrote *"counsel for the plaintiff"* instead of citing an actual Person's (or Persons') name?

RE: letter dated 10 July 2020, transcript request: case number 2019-CP-10-01496, Appellant Case No. 2020-000676

Ms. Allen.

Thank you for your response related to this issue. I have included a copy of the letter for reference by others on copy.

First, your letter asks me to complete the attached Transcript Request Form, but no Transcript Request Form was included in the letter. The contents of the envelope were composed of the letter included in this letter and a copy of my letter dated 6 July 2020.

Second, your letter states "Our records reflect that the proceedings that day were held in our digital courtroom". In regards to this statement,

1. Please explain. I was physically at the Charleston County Courthouse on 27 January 2020. Typically when I hear the words such as digital and virtual, I take that to mean not in the same physical place with the other parties. The physical environment on 27 January 2020 appeared to me to be very much almost identical to

other occasions I have had to go to the Charleston County Courthouse for similar proceedings. Between these two facts, I'm obviously a bit confused.

2. Second, you didn't provide the name of the court reporter. Was there a court reporter assigned to Cole and Charleston County that day? If not, please clarify this process to the degree required.

Once again, thank you for finally helping with this situation and I look forward to a response as well as a copy of the Transcript Request Form. I will probably mail it in so everyone is kept in the loop related to eventually solving this problem.

Alan Nix

RE: completed transcript request form for case 2019-CP-10-01496 / Appellate Case 2020-000676 enclosed. Request additional transcript request forms for case 2015-CP-10-2751

Ms. Allen.

Please find enclosed a completed transcript request form for the hearing on 27 Jan 2020, case number 2019-CP-10-01496.

Please also send three new transcript request forms so that I can order transcripts for case number 2015-CP-10-02751. I will have to confirm, but I think the dates are 13 Aug 2018 and 8 March 2019. The 13 August hearing would have been in Charleston County and the 8 March hearing would have been in Horry County.

I've copied the parties to that case and hearings on this letter.

Ms. Abbott-Kitchings. Please file this with appellate case 2020-000676 so everyone will know I am trying to solve this transcript issue as soon as possible. Given my low funds, I'm going to email this letter and form to all of the parties involved in appellate case 2020-000676 and probably also include it in another letter that will be going out in next few days.

Thank you for your help. I'm beginning to think this long, financially and emotionally ravaging saga may be finally coming to a proper completion.
