---

Attached for filing, please find a Motion to Temporarily Suspend Setting Execution Date (and exhibits) in the death penalty case of Richard Bernard Moore, whose petition for writ of certiorari was denied this morning by the United State Supreme Court. Mr. Moore does not have a currently-pending case before this Court, so I did not include a case number.

I will serve the Attorney General's Office and the South Carolina Department of Corrections via email.

Please let me know if you need anything further.

Best,
