Re: *Adam Corey Rabon, as Personal Representative for the Estate of Erik Randall Rabon v. Huggins Beach Service, Inc., The City of Myrtle Beach and Craig J. Risbourg*
Appellate Case No. 2012-208006

Dear Mr. Shearouse:

Please find this correspondence responding to the Court's February 25, 2013, correspondence concerning the Court's scheduling of oral arguments in this matter. Please know that the parties related to this appeal, including all parties related to this matter, have settled their differences and are petitioning the Circuit Court for the Fifteenth Judicial Circuit for approval of the wrongful death and survival actions related to this matter. Additionally, I have recently received correspondence from the attorney for The City of Myrtle Beach, James Battle, which also notifies the Court that the parties have settled their differences related to this matter, and the Appellant concurs with opposing counsel that the Court dismiss the appeal based upon the parties' recent settlement of this matter and that oral arguments are no longer needed.

If you need anything further concerning this matter in any way, please do not hesitate to contact me at your earliest convenience.

With kind regards, I remain

Very truly yours,

Jeffrey E. Johnson
