RE: Appellate Case No. 2019-001248

Dear Honorable Clerk of Court,

I have three issues I need
to ask you about today.

1.

I had a extension due date on
my dead line for my "pro se" response
to a Johnson brief filled by my
lawyer. That date was July 8, 2020.
I noticed that when I received
notice that my "pro se" response had
been recieved and filed by your
office that the date was July 9,

2020. I had mailed out my "prose" response from SCDC several days prior to the July 8, 2020 deadline. I was worried that the one day late may have been a problem. I asked my lawyer and she said that her inclination is that the court would show me some lenience, but advised me to write the court and make sure.

→ So is everything ok with my "prose" response even with it being filed one day late?

2.

I am going to file for DUA testing to prove my innocence.

Under South Carolina Code § 17-28-40(A):

The application must be made on such a form as prescribed by the Supreme Court.

→ Can I please get one (or two if possible) of the application(s) for DNA testing?

3.

Here at Allendale C.I. under SEPC policy the mail room will not make copies of any of my legal documents, rather handwritten or typed because they are created by an inmate, without something from the court saying we need to make copies of my legal work.

→ Can you send me something to show them I'm working on my court case and need to make copies? They charge for the copies so I don't understand why they give us such a hard time.

Thank you very much for your time and I hope you have a wonderful day.
