**Re: State v. Andrew Looper**  
**Case No.: 2011-CP-23-3563**

Dear Ms. Johnson:

J. Falkner Wilkes has corresponded with you requesting the hearing transcript from an appeal heard by the Honorable Letitia H. Verdin in the above-captioned case. In Mr. Wilkes' original letter of February 13, 2012, he listed the hearing date as September 13, 2011. On February 17, 2012, you responded that you had no record of a court record in this matter on that date. Mr. Wilkes then sent another letter on March 4, 2012, with a corrected hearing date of September 1, 2011. Having not received a response from you, Mr. Wilkes against sent a request on October 17, 2012. After discussing the matter with Mr. Wilkes, it would appear he has not heard from you. Please advise whether you have a court record from that date. If you were not the court reporter in the case or you need any further information, please let me know.

Sincerely,

Jennifer Ellis Roberts  
Assistant Attorney General  
Bar No. 79818
