

Dear Honorable Court

on January 22nd 2013 I filed a PCR application with the Sumter County Clerk of Court for the Court of Common Pleas. Pertaining to ineffective assistances of counsel and prosecutorial misconduct. I wrote to Sumter County Clerk of Court on 3/10/2013 asking why hasn't my PCR application been clock & docket date stamped and sent back to me. I have not received any type of reply back from the said court about my PCR application. May you please check into this matter please! Have a bless day and your cooperation is highly appreciated.
