Appellate Case No. 2020-001187

Dear Ms. Ford:

Upon reviewing your motion to relieve counsel, the following deficiency has been noted under the South Carolina Appellate Court Rules (SCACR), and each deficiency must be corrected within ten (10) days or your motion will not be considered. Please note this is the Court's second request for this correction.

- The proof of service provide only states that a copy of the petition for rehearing was served on one of the respondents' counsel. You must provide a proof of service showing that all counsel, including your counsel, have been served a copy of your motion to relieve counsel.

Very truly yours,

V. Claire Allen
