### **Motion to Supplement**

The Appendix does not contain the complete transcript from Petitioner's jury trial. Without these documents, the appellate record in this PCR matter is incomplete. Therefore, Respondent submits the complete trial transcript from State v. Rogers, Op. No. 2014-UP-332 (S.C. Ct. App. filed Sept. 17, 2014), should be included in the Appendix to the Petition for Writ of Certiorari, as the issue Petitioner raises in his petition is directly related to specific portions of the trial transcript that have been excluded. These records were also attached to the return as an exhibit and PCR pleadings in both the circuit and appellate courts directly reference them.

The complete trial transcript is relevant and pertinent material under Rule 243(f), SCACR, that should be included in the Appendix, counsel moves this Court to allow Respondent to include the same in a Supplemental Appendix, provisionally filed along with this Motion.

WHEREFORE, as the Appendix is incomplete, counsel for Respondent requests this Court: (1) grant the motion to allow Respondent to supplement the Appendix, and (2) accept Respondent's Supplemental Appendix for filing today.

Respectfully submitted,

ALAN WILSON  
Attorney General
