RE: I am requesting a motion for extension of time in order to update my court filing to get a hearing and/or opinion in the Supreme Court. I would like to include material fact and principle of law which was not included in the previous filing and as a result the court order for rehearing was denied. I am requesting a hearing in order to save my property as it is being auctioned November 16, 2020!

Diane La Prade - Appellant
