Subject: State v. Charles Mungin, III

Dear Ms. Kitchings:

I believe the Initial Brief of Appellant in the above captioned matter was due for filing on today's date. I am currently out of town interviewing witnesses in another case. I think that this brief was due today. I worked very late last night and neglected to check the office calendar before I left to office last night.

I am in a hotel in Horry County and do not have access to my office calendar. I intended to send in my petition seeking a third extension yesterday before I left Columbia.

At this time I would request a third, thirty day extension of time for serving and filing the Initial Brief of Appellant i. This direct appeal. I realize that this extension request should have been made in the format of a Petition. I apologize for this informally styled request and will replace this letter with a proper Petition when I get back in town.

I have not spoken with opposing concerning this request and would ask that they advise the Court directly should that have any objection to my request. Thank you very much for your assistance. I remain,

Sincerely,

Tara Dawn Shurling
