**SC Court of Appeals**

Appellate Case No. 2020-000770

Jada Garris,.....Respondent,

v.

Lexington County School District One,..... Appellant.

MOTION FOR EXTENSION OF TIME TO SERVE AND FILE RESPONDENT'S  
INITIAL BRIEF AND DESIGNATION OF MATTER TO BE INCLUDED IN  
RECORD ON APPEAL

Respondent hereby moves pursuant to Rule 263(b), SCACR, for a seven-day extension of the time in which to serve and file the Respondent's initial brief and designation of matter to be included in the record on appeal. The grounds for this motion are that there is good cause to grant the requested extension, as the following shows:

1. Respondent's brief and designation of matter are presently due today, November 9, 2020. If the request is granted, Respondent's initial brief and designation of matter to be included in the record on appeal will be due on Monday, November 16, 2020.

2. Respondents' counsel are nearly finished with the brief and had planned to complete and file it today; however, other matters that required counsel's attention today intervened.
3. This is the second extension Respondent has requested in this appeal.
4. Respondent seeks a very short extension to get the brief finished and filed.
5. The undersigned has served this document on opposing counsel by email to registered AIS email address on the date given below.

WHEREFORE Respondent prays for an order extending the time in which to serve and file the Respondent's initial brief and designation of matter to be included in the record on appeal by seven days, to November 16, 2020.

Respectfully submitted,
