SC Court of Appeals

THE STATE OF SOUTH CAROLINA
In The Court of Appeals

APPEAL FROM RICHLAND COUNTY
Court of Common Pleas
Joseph F. Strickland, Master in Equity Court Judge

Case No. 2014-CP-40-2063

U.S. Bank, National
Association, as trustee for the
Holders of the Banc of
America Funding Corporation,
2008-FTI,

Respondent,

V

Rhonda Lewis Meisner a/k/a
Rhonda L. Meisner, Bank of
America, N.A. and SCBT
of whom Rhonda L. Meisner
is the

Appellant.

MOTION FOR ADDITIONAL TIME TO FILE RECORD ON APPEAL FOR
GOOD CAUSE AS THE RESPONDENTS WITHDREW A DESIGNATED
DOCUMENT TODAY AS HAVING BEEN NOT FILED WITH THE LOWER
COURT

The record on appeal is complete except for one document that the Respondents designated. Neither the circuit court, nor the Appellant, has a record of the request for production that purportedly a third party, Bank of America, N.A. filed with the lower court. The Respondents responded that they do not have a filed copy as of 12:12 today and have given permission for me to eliminate this designation from the record and provided clarification that there is no Order for Summary Judgment but that it was entered as part of the Order and Judgment of Sale.

The appellant respectfully requests an extension until Monday November 16,

2020 to file the Record on appeal as she just received permission to eliminate a document that was not presented to the lower court from the Respondents after an exhaustive search of the appellant's records and the case electronic records. The appellant did not catch the fact the designated document had not been filed with the lower court, until the Record was being assembled earlier this week. Because the delay is due, not only to the Appellant's mistake, but also the Respondents designation of a matter that is not available for the Record, the Appellant respectfully requests an Order from this Court for slight extension in the production of two business days and file the Record on Monday November 16, 2020.

Respectfully Submitted,

November 12, 2020
